MARPLE-NEWTOWN HIGH SCHOOL
NEWTOWN SQUARE. PENNSYLVANIA

Foreword . . .

This is the story of our school, of the people who laugh and work here; of the boys and girls who study, dream, and play here—the story of an ordinary school, seen through the eyes of the class of 1946, who present to you, as their last big project in high school this book of Memories, that you may share with them four years of work and of pleasure.

Dedication . . .

A friend to whom you can turn is always a valuable asset, and we are fortunate enough to have two of them who have been advisors, leaders, and confidants of all the class in all things. It has been largely through their efforts that we have been able to bring our years at Marple-Newtown to a successful, happy close. All those who know them will heartily agree that no finer friends can be found.

To them, Helen E. Yeingst and Harry R. Harvey, we dedicate this yearbook with our sincerest admiration and gratitude.

Board of Directors

Behind the scenes of school life stands a very important group of men who have laid the plans for our education. They meet the first Tuesday of every month to work out scores of school problems with an understanding interest in the youth of our school and their needs.

Officers of the Marple-Newtown Joint Board are as follows: President, William Culbertson; Secretary, Wilmer F. Loomis; Treasurer, Charles H. Russell; Vice-President, W. Foster Reeve III.

Principal and His Message

TO THE CLASS OF 1946:

In observing the growth of educational practice in the United States, one clearly perceives how much broader is the appeal of the school to the youth of America today than was the case of the schools in the seventeenth century. This growth is due partly to an increased offering of courses such as art, music, cooking, sewing, bookkeeping, shop, etc., and also to activities such as clubs, athletic teams, guidance periods, school papers, student councils, etc.

As a result of this widening of the educational offering, boys and girls have been encouraged to remain in school and receive a type of education which more closely meets their own peculiar educational needs. You who graduate this year have been fortunate to receive this type of education and have profited accordingly.

May you go forth from Marple-Newtown High School filled with a strong desire to use the fruits of this broadened education in the service of your fellow-man.

Your friend,

JAY W. WORRALL.

This year's Junior Class was very successful in many activities. By picking out and waiting enthusiastically for our class rings, we carried on an old tradition of Marple-Newtown. Following this big event we put our best efforts into the annual Magazine Drive which produced a very nice profit of \$450 for the Junior Class. We owe the success of this drive to such people as Ruth Gettz and Charley Scheid, who handled the drive very capably.

Other popular events such as the Junior Prom, home-room discussions, and planning of assembly programs all added much to our Junior year. These activities have taught us the value of cooperation and hard work. With the capable advice of Miss Yeingst and Miss D'Amelio, we finished a very enjoyable Junior year. Every Junior is looking forward to his last year in high school.

The Sophomore class under the guidance of Miss Decker and Mrs. Ditzel started the 1945-46 school year with fifty-two members. At the first September meeting, the "Sophs" elected their class officers and immediately resolved to improve upon the many accomplishments of last year.

Everyone is proud of the record number of Sophomore boys and girls who have participated on the various athletic teams, helping to make this an outstanding sports year for M. N.

Who can forget the big "Hop" held on March 22? The Sophomore Hop, this year, was the first ever held at night and proved a "howling" social as well as financial success. Joe Grady, radio commentator on the 950 Club, was guest of the evening.

The Sophomores also were instrumental in sponsoring a quarter-hour program on Station WPEN dedicated to Marple-Newtown. Many of the class members spoke briefly on this radio program.

Several of the class of 1948, who are studying French, adopted a little French girl as part of their contribution to help the suffering and starving of Europe. Clothing and food are sent to little Viviane every two weeks.

All are looking forward to the Junior year when they hope to carry on and improve past activities.

Our class of '49 ended its Junior High term with a real flourish. We were a large class and have been well represented in the school's many activities.

Both boys and girls have supported the Junior Varsity and Junior High teams. It is therefore only reasonable to assume that there is much valuable material available for the Senior High teams.

The sales of bonds and stamps did not reach the expected volume until our class formed teams. The stimulation caused by competition promoted such an increase of sales that our class headed the list for the greater part of the year.

The plans which had been so carefully laid for our Christmas party could not materialize because school closed early. Better luck is expected next year.

Although the year has been a busy one, it was also a very happy one. We believe we are well prepared to accept the responsibilities of Senior High and are looking forward with much interest to these years ahead.

Eighth Grade Highlights

Last year we liked Marple-Newtown, but this year our enthusiasm has increased, because we feel at home.

During the year we welcomed several new eighth graders into our classes. These included Mason Linn from Rouzerville, Raymond di Bono from Shoemaker Jr. High in Philadelphia, Lee Holloway of Lower Merion, Grace Blair from Upper Darby, and Coy Wyatte of North Carolina.

Our junior high teams in football and basketball were coached by Mr. Rafensperger. We have had a great deal of fun in our sports and intramurals.

During the 1946 Athletic Fund Drive many of the collectors were ambitious eighth-graders. Some of our students also have taken part in the orchestra, as cheerleaders, and in the other school activities.

We are all looking forward to next year when we shall have advanced to the ninth grade.

What the Seventh Grade Did This Year

The seventh grade pupils have taken part in the school bond and stamp drive, an essay contest, school sports, and activities.

The Seven A group sent Shirley Seely a bouquet of flowers when she was absent with a touch of rheumatic fever.

Jack Noll won first place in the seventh grade of our school in the essay contest. Joyce Worrell won second place in the seventh grade.

The girls played two games with Sandy Bank, one hockey, one basketball. We won both of these but lost the intramural basketball game with the eighth grade.

The Seventh grade boys took part only in the intramural basketball games with the eighth grade. Some of the boys went out for football and baseball also.

Typing Class

Typing is one of the most important subjects to the commercial students. The first-year student is required to do thirty words a minute. The second-year requirement, forty words a minute, is usually exceeded. The speed of fifty words a minute is required of the third-year typists. Awards are given to the people who have had the highest speed during that year.

Laboratory

The laboratory is under the direction of Mr. Baldelli. There are three classes under his direction: Physics, Biology, General Science.

The General Science classes have no individual laboratory work at all. It is merely demonstration work, either by members of the class or by Mr. Baldelli himself.

There are no set periods of laboratory work for either Physics or Biology classes because of the size of the classes and the lack of space and equipment.

There have been two major projects carried out in the laboratory so far. One is the hatching and breeding of baby chicks. The other is the cross breeding and mating of flies to determine what outstanding characteristics are inherited.

Cafeteria

The cafeteria has inaugurated a new program by which the price of our lunches has been reduced from 25c to 15c, through Federal aid. The government is offering this service to us for the main purpose of providing a well-balanced lunch for the students. We hope that in another year our student body will be buying platters 100 per cent.

Shop

We have here at Marple-Newtown High School a shop laboratory, rather than vocational training, where students have the opportunity to work in several different fields; namely, wood, metal, and plastics; wherein we are exploring utilitarian type projects rather than abstract problems because of the greater interest boys have in real construction. The projects are designed to be of practical value in the home.

Home Economics

Home Economics is a required subject in the 7th, 8th, and 9th grades. The girls learn how to prepare breakfast, lunch, and dinner during these first three years. If they choose, the senior high girls may continue Home Ee until they graduate. In these years, girls learn little extra things that help make a meal complete.

Activities

Tri-Hi-Y

No other club in Marple-Newtown is so active as the Tri-Hi-Y which was started in 1944.

Besides sponsoring the Canteen on Friday nights, it took over the bond and stamp drives and sold refreshments at the football games.

Some of the year's activities were:

1. An initiation party was given at the home of Mickey Fiorello.
2. The swimming party at the Y.M.C.A. at 52nd and Sansom afforded a good time for all Canteen members with dancing and refreshments following the swimming.
3. Many members attended the Banquet at the Central "Y" given by the Main Line groups.
4. At the Conference in Lansdowne about thirty representatives from Marple-Newtown enjoyed an evening of spirited debate, fun, and good food.
5. The climax of this year's activities was the Mother and Daughter Banquet given on May second with the Seniors and their mothers as guests of honor.

The officers that will be lost by graduation are Viola DeVito, President; Corine Suess, Secretary; Georgia Earle, Treasurer.

The advisors are Miss Yeingst and Miss McCutcheon.

The Student Council

The Student Council is a governing body of students, organized of, for, and by the pupils. Our president and secretary are chosen from the senior class; vice-president, from the junior class; and treasurer, from tenth grade. An additional member is chosen from each grade.

The council has accomplished much under the worthy leadership of its officers and faculty advisors, Mr. Worrall and Mr. Harvey.

We hope that next year's Council will be as cooperative with the teachers and pupils as in the past years.

Among the activities of the Council were the purchasing of new tunics for the girls' sports teams, the supplying of recreational equipment for lunch hour use, and the promoting of a successful drive for athletic funds.

Mar-News

Did you notice the new "zip" to the Mar-News this year—better news, newer news, and more news? This was mostly due to regular meetings and more consistent attendance, because the Mar-News has become a regular club. Under the able leadership of Advisor, Miss Decker, and Editor-in-Chief, Joe Bachtler, the Mar-News has gone onward and upward to greater achievements.

The orchestra is playing for assembly programs and is looking forward to providing music for the Senior Play.

Glee Club

The Glee Club meets every Friday, third period. This year the club is conducted as a regular music course rather than an extra musical activity. Credit toward graduation is to be given to all the members.

It is regrettable that the unexpected foreclosure of school at Christmas time prevented the Glee Clubs from presenting their Christmas Carol Service.

The Club is preparing to contribute an important part in the Commencement and Baccalaureate exercises. The girls have been rehearsing diligently and are looking forward to the coming performances.

"You Can't Take It With You"

The high school play, "You Can't Take it With You," was given Friday, April 26th, by a cast composed largely of Seniors. The story of the delightful, but slightly mad Sycamores, was particularly adopted to the wide range of ability found within our Senior class. Able and talented support was received from those underclass members who participated. Under the able direction of Mr. Brown, these talents were combined to produce a very successful play.

Cheerleaders

Our cheerleaders, under their competent captain, Viola DeVito, a senior, were ever active at football and basketball games to spur our teams on. The cheerleaders are as follows: Betty Fox, Junior, Carol Hall, Junior, Betty Helms, Sophomore, Joan Livingston, Freshman, Bessie Loomis, eighth grade and their junior member, Patty Kafigian.

Patty is a new addition. She is tiny, smart, and loves being a cheerleader. She is admired by all of us.

The newspapers complimented the cheerleaders on their fine showing at the Kiwanis game, stating they were the most active and had the smallest member that ever cheered at a Kiwanis game.

The Year's Highlights

September 5—School began—39 Seniors piled in on Mr. Harvey. 9—Flo and Joe blew in from Wildwood.

October 13—Football team beat Yeadon—lucky day! 26—Seniors' Hallowe'en Party—Spiller looked like a feather off the old hen!

November 14—Hockey dinner at Ramsay's—did the girls (and Miss Yeingst) stuff it in!

December 14—Senior Ball "No gains—without pains." 17—Football Dinner—Villanova coach, Jordan Oliver, one of guest speakers.

January 23—Overbrook Assembly—best program in years!

February 14—Valentine Luncheon a la Mrs. Clark. 27—Basketball Dinner—thanks from the girls to Mr. Kirk; thanks from the boys to Mr. Harvey.

March 1—Mr. Pittman returns to M. N.—our gain. 15—National Honor Society—Dr. Melchior was a grand speaker. 15—Tri-Hi-Y Conference at Lansdowne—the girls renewed acquaintances with Dr. Melchior—had a wonderful time. 21—Tea for Senior Mothers and Faculty—A lovely social, although the boys looked as if they were going to die. 22—Sophomore Hop—Joe Grady added sparkle to the evening.

April 2—Chicken Supper—Lots of work but lots of profit. 11—Lacrosse team beats Radnor girls—Big event! 26—Senior Play—Brown and Co., score another triumph. 29—Senior Essays Due—the fatal deadline. 30—Miss Ellis Leaves for California—wished we could all go.

May 2—Mother-Daughter Banquet—99 present—first of its kind. 6—Seniors visited Media Courthouse—Miss Decker had to drag the girls away from the Marriage License desk. 8, 9, 10—Washington Trip—will we ever forget the Plaza Hotel. 17—Junior Prom—a surprisingly large turnout made it a great success. 18—Miss McCutcheon became Mrs. Pass—took us by surprise but we managed to remember to wish all possible happiness. 24—Declamation Contest—always a big spring event to which this year was no exception. 24—Media High School Orchestra Played in Assembly—some seniors were greatly interested.

June 5—Assembly for Presentation of Awards—everyone came to school bright and shining (and expecting). 7—Alumni Dance—the old gang got together and welcomed their new companions of '46. 9—Baccalaureate. 10—Senior Exams Began—Doom's Day. 14—Commencement—reward of twelve years waiting, watching, and hoping. 19—End of School—Lenape Park again for the first time in five years.

Varsity Football

The 1945 season was one of the most unusual seasons in the history of Marple-Newtown. We won the first three games against North Coventry, West Pottsgrove, and Yeadon. The next two games were close, but we lost by only one touchdown to Spring City and were beaten hard by Sharon Hill. Our next game was a win from Nether-Providence. The Thanksgiving Day game, our last game, resulted in a tie with Springfield.

Most of the success of our team was due to the good coaching of Mr. Harvey and Mr. Richute. Mr. Raffensperger, the Jay-vee coach, did a swell job by pulling the Jay-vees through to a one hundred per cent victory for the year. Credit should be given to the substitutes, who came through in the hour of need, for their splendid spirit.

The lettermen who have received letters and gold footballs from the Marple-Newtown Athletic Club are as follows: Civitella, Davidson, Miller, Heinzelmann, Bachtler, Loomis, Trost, Seely, Satterthwaite, Smith, Moyer, Spiller (Mgr.), and Hipple (Mgr.).

The boys who received numerals and silver footballs from the Marple-Newtown Athletic Club were as follows: Peters, Thomas. Prichard, Scheid, Snelling, Knapp, Goodman, H. Gorman, Bishop, Lutz, Thomas, Fetzer, Roberts, Schofield, Rainey, Rambo, E. Gorman, and Goodman (Mgr.).

The Marple-Newtown Athletic Club gave a banquet in honor of the team of 1945 in December. The footballs were given out then.

We can boast that we had the best team in ten years.

Girls' Hockey

The M. N. Hockey girls carried the Orange and Black down the field with five victories and three defeats. This is, without a doubt, the best season for many years.

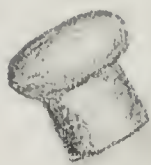

One of the things the team will remember longest is the Banquet given by Mrs. Ramsay in our honor.

Although eight seniors will be lost through graduation, the goal next year will be an all-victorious season, as this year's record proves to have been a good start.

Those lost through graduation are Irene McElreavey, Viola De Vito, Helen Garrett (Captain), Phyllis Mason, Jane Graf, Mary Peirce, Florence Drummond, Elaine Schneck.

Junior High Football

The Junior High Football team under the direction of Mr. Richute had a fair season. This season the boys played the same system and style as our varsity and thus gave the boys a general idea as to what to expect in the coming season.

They used a T-Formation and a few razzle dazzle plays which proved successful.

The team roster is as follows: RE Feldkircher, RT Bortle, RG Miller, C Shupard, LG Managan, LT Stewart, LE Young, QB Snyder, LH Hatton, RH Fletcher, and F Newby. Others boys out for the team were Graham, Schneider, Smith, Fisher, Jesnig, Standon, and Giacomucci.

Junior High Basketball

The Junior High Basketball Team, under the coaching of Mr. Raffensperger, came through with six victories and only two defeats. Ed Feldkircher was high scorer with 71 points. The winners of the Junior High Shields were Feldkircher, Fletcher, Goodman, Hatton, Newby, and Young.

Four games were also arranged for the second team Junior High. Out of those M.N. won three. Arthur Miller was high scorer for this team.

Under the Basket

This year's Senior High Basketball Team made history for Marple-Newtown. Under the capable instruction of our new coach, Mr. Richute, the team won eleven out of eighteen games. Irving Miller and Donald O'Brien were high scorers for the varsity. To top off a good season, Mr. Harvey treated the Varsity to a swell dinner!

The Jayvees played good ball this year despite several shifts in their lineup. High scorers were Robert Nask and James Knapp. Numeral men are Nask, Knapp, Rambo, and Snelling.

Girls' Basketball

With their usual vigor and zest, the girls turned out in full force to start their basketball season. The Marple-Newtown team worked hard and showed improvement in every game. Under the able leadership of Coach Sue McCutcheon and Captain Helen Garrett, we enjoyed a very successful season, having won half our games. Our fine playing was rewarded by a banquet given by Mr. Nelson Kirk.

Stella Blosenski was high scorer for the varsity team with 67 points. Lillian Ivins made 85 points for the Junior Varsity team.

Those lost by graduation this year will be Helen Garrett, Mary Peirce, Jane Graf, Deborah Kirk, and Irene McElreavey.

MAN-SIZED JOBS

Big, heavy-duty trucks—like Autocar heavy-heavies—will travel the post-war highways in greater numbers than ever before, because big, heavy-duty trucks—like Autocar heavy-heavies—can carry bigger pay-loads at lower cost and with greater dependability than lighter trucks. They're engineered to do a man-sized job . . . precision-built to do that job right . . . tested and proved for uninterrupted performance under every conceivable condition. Watch Autocar Trucks in the post-war world. Then follow the leaders, for they know the way.

“What you are, shouts so loudly
I cannot hear what you say!”

said Emerson

“What you say,” thinks the reader of your advertisement, “is not nearly so important as the way you say it.” . . . Layout is the “way you say it.” Layout is the means by which advertising secures its readers, creates first the favorable impression which is advertising’s prime aim. We have capable layout men in our Service Department who can make your advertising talk sales. Isn’t that what you want? We believe the old adage: “Business goes where it is invited and stays where it is well treated.” We invite you to try our complete printing service.

We are proud to present this school annual as a sample of the craftsmanship, design and service of which we are capable. It was a pleasure to work with the staff in a cooperative effort to accomplish such a meritorious task as this excellent book. We extend congratulations.
